## From the Principal's Desk

Dear SJCS Families,

Today is Ash Wednesday and is the beginning of the liturgical season of Lent. At school we honored this very holy day of our year by attending mass as a school community and receiving and proudly wearing the sign of the cross on our foreheads, marked in ashes. We wear these ashes as a sign of our commitment to repent for our sins and as a reminder of our mission to remember Jesus, recognize His sacrifice for us, and to acknowledge our desire to live more closely to His example. Lent is a time to omit habits that draw us away from our relationship with Jesus and to better develop behaviors that allow us to enhance our relationship with our Holy Father.

I encourage each family to take some time this Lenten season to reflect on sacrifices you can make for others, as a representation of the sacrifice Jesus made for us. Perhaps your family slows down and makes a more concentrated effort to pray together? Maybe you carve out time to give of your time to others through volunteering as a family? I do realize how challenging it can be to dedicate one more hour toward one more thing, but Lent would be a good time to reprioritize what really needs to be done and what possibly can wait, to allow additional time to focus on God. Below are some resources you can use at home to honor and fully commit yourselves to the season of Lent.

## Science Fair 2018:

The Science Fair is the culmination of months of hard work and commitment in which, traditionally, the sixth through eighth grades participate. It is the end of a long and arduous process that follows the scientific method. Last month many people joined us to see all of the wonderful projects on display. The students beamed with pride and knowledge, waiting to share their findings with all. The students put so much effort into their projects. Although all participants did a phenomenal job, we would like to congratulate these students for an outstanding performance:

### **6<sup>th</sup> grade:**

*1<sup>st</sup> Place: Isabella D. and Natalia V.*

*2<sup>nd</sup> Place: Caitlyn C.*

*3<sup>rd</sup> Place: Travis R.*

*Honorable Mention: Gannon C. and Jason S.*

### **7<sup>th</sup> Grade:**

*1<sup>st</sup> Place: Sophia T.*

*2<sup>nd</sup> Place: Joshua H. and Jacob H.*

*3<sup>rd</sup> Place: Emiliano C. and Kyle H.*

### **8<sup>th</sup> Grade:**

We are also very proud of our young scientists that represented St. John at the Diocese of Oakland Science Fair at St. Joseph of Notre Dame! The science fair was filled with brilliant minds and amazing science fair projects.

Among these were **Isabella DeRosa, Natalia Villanueva-Hernandez, Emiliano Carbajal, Kyle Ha, Joshua Hoffmann, and Jacob Hupke**. These students did an excellent job competing against students from the schools within our diocese. Isabella and Natalia received third place scores while **Emiliano, Kyle, Jacob and Josh** placed second. Excellent job Shamrocks!!
