School Resumes- Distance Learning

Dear Shamrock Family,

During this third week of Advent we are called to focus on JOY! As I shared during my live morning prayer on Monday, let us challenge ourselves, as adults, to revel in the child-like joy of the Christmas season. While the weeks before Christmas can often bring much stress and strain, let us see Christmas through the eyes of our children- the magic, the mystery, the miracles! My prayer in these final days of Advent is that we each may make time and space for the true JOY that is exhibited through laughter, past memories and in making new memories, with a Christmas reimaged! As I shared prior to the Thanksgiving break, while still in a “Stay at Home” order, I will continue to follow our county health metrics, as well as county guidelines and will reevaluate our school’s opportunity and capacity to offer in-person learning in January. May you and your families have a safe, healthy, happy and most blessed Christmas.

With hope, peace, joy & love,

Ms. Paige Child

A Virtual Santa's Secret Shop is coming to our school

Dear Parents,

We are inviting you and your child to participate in the upcoming VIRTUAL Santa's Secret Shop program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends from the comfort of their home!

We believe this program will create wonderful memories for your child while teaching them to budget their money and make their own decisions. With your help, your child can log into our school specific website where they will be able to view and purchase a large variety of gifts in many different price ranges. The children will be able to view different items to purchase online and add to the cart before checking out. You will have the opportunity to review the total amount spent before checking out.
