From the Principal's Desk

Hello Parents,

Next week is Red Ribbon Week and this week has traditionally been one to focus on drug awareness. At St. John however, we will highlight and discuss the importance of overall positive habits and life choices that contribute to a healthy lifestyle. Among the classes will be discussions about the importance of consuming healthy food and beverages, being an active individual, and the importance of sleep. Likewise, I have included some links to a few resources below that can help you discuss healthy habits with your child at home. Thank you for being our partners in education and promoting the education and well-being of the whole child!
