Dear Shamrock Family,

At this time, we have 19 confirmed Covid-19 cases out of 150 students. As of today, we have six classes in distance learning. The following are current data points from each class:

TK - 1 positive case; Onsite learning in progress

K - 4 positive cases; Return from distance learning on 1/18

1st - 3 positive cases; Return from distance learning on 1/21

2nd - 3 positive cases; Return from distance learning on 1/24

3rd - 0 positive cases; Onsite learning in progress

4th - 2 positive cases; Return from distance learning on 1/18

5th - 3 positive cases; Return from distance learning on 1/24

6th - 0 positive cases; Onsite learning in progress

7th - 0 positive cases; Onsite learning in progress

8th - 3 positive cases; Return from distance learning on 1/18

There are a few factors to consider when reviewing the data above. To begin, not all Covid cases across the grades were transmitted at school. Second, our factors for closing classes onsite and sending to distance learning are three-fold: 1.) Amount of positive cases- 3 concurrent Covid cases being a hard and fast marker, 2.) Student attendance at school vs. students at home- please consider that some students within classes are quarantining for personal reasons related to potential exposure or exposure outside of school, which contributes to decisions around having only a few students onsite vs an entire class on one, distance learning platform, 3.) Staffing.

Please know that not all students who are away from school are sick, and not all who are out sick are Covid-positive. Some families have kept students home for precautionary reasons. Our staff and I have spent the days since Christmas break in communication with parents about reasons for student absences, following up regarding student symptoms, requesting negative Covid test results or doctor clearance before allowing students to return, tracking positive Covid cases through rapid and antigen tests, tracking close contacts, and remaining in communication with parents about student/class

St. John Catholic School Newsletter

exposure and various class learning plans. We are doing our absolute best to remain both proactive and responsive to the needs of our community based on data that is provided to us on a class by class basis. Diocesan requirements for closing a **class** is 3 concurrent Covid cases. Diocesan requirements for closing an entire **school** for distance learning is 30% infected student population at a single time and/or staffing shortages that negatively affect student safety and/or student learning.

I share appreciation for parents who keep potentially exposed, exposed, and sick students home. I ask that if your child is in contact with a Covid-positive person or is sick, that you immediately notify Ms. Aimee and me and that you keep your child home. Please note that cloth masks are NOT currently encouraged. N-95 and surgical masks are currently deemed as providing the best protection against the most recent Covid-19 variant. For students in distance learning, we ask that families take precautions during this time away from school and limit visitors and all travel so that we can get ALL students back onsite and have them back healthy and well. Thank you for your continued patience and prayers during this challenging time.

Respectfully,

Ms. Paige Child

REGISTRATION 2022

We have some great news to share regarding an upgrade in our registration process. Beginning in February, registration for the 2022-2023 school year will be done completely online. Not only will this streamline the registration process but it will also allow our administration team to more accurately obtain an enrollment count in order to more efficiently plan for and allocate resources and staff for the upcoming school year. Registration for returning families will now be conducted between February 7th through February 28th. Emails will be sent out with individual links for families to complete the necessary forms and pay registration online.

Registration for the 2022-2023 school year:

TK-4th Grade

Before March 1 st	After March 1 st
\$450	\$500

5th – 8th Grade

Before March 1 st	After March 1 st
\$500	\$550

Registration is due between February 7th through February 28th. Registration payments made after February 28th will be assessed a \$50 re-enrollment fee.

As with any instance at St. John, if accommodations need to be made, we will try our best to provide them. Small changes like this upgrade to our registration process will not only assist with our planning for the 2022-2023 school year, but will help guide budgetary decisions in order to allow St. John Catholic School to be economically sustainable for years to come. We are grateful for your dedication and commitment to St. John Catholic School. We invite anyone who may know a family who may be interested in joining our shamrock family to welcome them to reach out to our school, as it is our aim to grow our school community!

CATHOLIC SCHOOLS' WEEK & OPEN HOUSE:

Catholic Schools' Week 2022 will begin on Sunday, January 30th with an all-school mass at 9:30am.

Our typical Open House will be postponed until sometime this Spring.

We will be welcoming prospective families to come take a tour of our school on Sunday, January 30th. If you know anyone that may be interested in touring our school, please invite them to email info@sjcsedu.org to set up an appointment. Also, make sure they tell us that you referred them, as we will be offering incentives to families who refer new students.
