### **Expectations for Student Behavior**

Student's actions and attitudes should always reflect a Christian ethic, and their behavior should be in accordance with the moral and religious expectations outlined by our school philosophy. Self - Discipline is attained when students work cooperatively with the teachers, fellow students, and principal toward the attainment of class and school objectives. Discipline is an aspect of helping students form self-discipline and not a form of punishment. The purpose of discipline is:

- To build a sense of Christian community.
- To produce self-disciplined students.
- To provide a classroom climate conducive to learning.

Respect and responsibility are essential in our Christ-centered environment, allowing optimal learning and growth.

The following are the guidelines for these expectations:

1. Respectful behavior toward oneself, others, and the surrounding environment is expected of students at all times.
2. Students are required to contribute to the learning environment.
3. Students are expected to follow all school procedures and policies.

*NOTE: There is zero tolerance for dangerous behavior or physical violence. An immediate suspension or possible expulsion from the program will result if such behavior occurs.*

If a child is disruptive, dangerous, or disrespectful to children and/or staff, a prompt resolution must be accomplished. If a problem arises in the first week into the program and conferencing is unable to resolve the situation, the family will be asked to leave and tuition and childcare fees for the remainder of the summer will be returned. In weeks two and three, if after working with a family without resolution for unacceptable behavior, the child will be asked to leave and no prepaid fees will be returned.

### **Dress Code**

Although it is summer-time and we want the children to be comfortable, your child's safety is very important. Please check your children before they leave home and observe the following dress code:

- **Shorts, sweats and tee shirts** are acceptable.
  - No short-shorts or low rise or "sagging" pants, pants/shorts must fit appropriately
  - No spaghetti straps or low cut tops or crop tops that show your stomach or midriff

- **Socks and closed-toed shoes** are to be worn. Please no open-toe sandals or flip-flops.

During the week you have sports, you cannot wear Crocs and must wear tennis shoes.

# Alameda County K-5th Grade ANNUAL FAIR TICKET PROGRAM

---

Congratulations!

Dear Parent,

Your school opted in to participate in the Alameda County K-5th Grade FREE Alameda County Fair Ticket Program. This means your student(s) receive a FREE Fair single day admission ticket to the 2025 Summer Fair to learn while having fun!

The Fair provides an engaging educational experience where children can explore agriculture, discover how food is grown, and understand the importance of feeding our communities. Our exciting new addition, The Farm, offers hands-on learning experiences that help students understand where our food comes from. It's also a great way to inspire the next generation of farmers. By witnessing the latest innovations in agricultural technology, kids will be encouraged to explore careers in ag tech and think creatively about how we can improve food production in the future.

Following are the instructions to claim a free ticket for your child. The ticket will be emailed to the email you use to claim once the order is complete.

Sincerely,  
Alameda County Fair
