NO school, Easter break
begins

Dear Shamrock Family,

I want to extend my sincere appreciation for the SO many who have honored my request to continue to wear masks through April 29th. Thank you! To this current date, we have had **zero** Covid-19 transmission since February and I am grateful for our collective efforts. With that, I will be sending every student home with a Covid-19 test kit, containing two Covid-19 rapid tests. I ask that out of continued precaution that each student be administered a Covid-19 rapid test on Sunday, April 24th and before school on the morning your child plans to return to school from Easter break (likely the morning of Monday, April 25th). Please notify your child's homeroom teacher, Ms. Aimee and me **ONLY if your child tests positive for Covid-19**. Two negative Covid-19 tests within a 72-hour period permits your child to return to campus after the Easter break. Again, thank you for your continued cooperation. Parents, please look out for a Covid-19 test kit inside EACH student's backpack on Wednesday, April 13th. We will fully welcome optional masking as of May 2nd, given a Covid-19 breakout does not occur prior to that date.

Lenten
Blessings,
Ms. Paige Child

O Lord,

Forgive us when we forget just how heavy
and tragic the cross You bore was.

You carried the burden of the cross...We carry the joy of it.
You were innocent...We are so guilty.
You were crucified...We are forgiven.

We wear jewelry...You wore a crown of thorns.
We tattoo our skin...Your side was pierced.
We collect beautiful images to hang on walls...You hung there.

O Lamb of God, thank You for the kind of love
that surrenders and forgives while nailed and suspended
high on death's shameful and unjust cross.

O Lamb of God, who takes away the sins of the world,
forgive us when we forget just how heavy and tragic the cross was.

Amen
