Dear Shamrock Family,

On Monday, May 6th, we hosted our annual State of the School Address. This parent meeting allowed me the opportunity to share with stakeholders pertinent information about St. John Catholic School. For your convenience, the presentation slides from this meeting have been published on our school's website, and additionally, the link to this presentation has been included below for your review. I value and honor the many members of our school community and pray for our school's continued viability and success for years to come. Thank you for entrusting me to be the leader of our great St. John Catholic School.
