Dear Shamrock Family,

This is the beginning of a few very exciting final days of the 2018-2019 school year! Today we celebrated our soon to be 8th grade graduates at the 8th grade Baccalaureate Mass and Awards Ceremony. It is my own personal and professional honor to see these students evolve into young adults, as I was most of the students' kindergarten and third grade teacher. Our beloved 8th graders will move on this Saturday after their 8th Grade Graduation Ceremony at 12pm, in the church. I anticipate that this current graduating class will create an everlasting imprint on the world. We honor our graduates for their leadership at SJCS and excitedly wait to witness their future success in high school and beyond.

Blessings,
Ms. Child

PARISH MAINTENANCE MINISTRY NEEDS YOU!

We as a parish community are looking for parishioners that can be part of our Maintenance Ministry for our church grounds. We have a head person that can chair this ministry but we are looking for at least 3 more to join. The role would be to help us identify the needs of our grounds in general, help us with us a vision/plan and have hands on experience. It DOES NOT mean that they would do the work. We are thinking the team would be a total of 5. If you're interested in volunteering please email info@sjcsedu.org

Each Friday we honor students who have excelled in IXL.
This week we are honoring the student in each class that
mastered the most skills in all subjects at or above grade level.

Congratulations to:

_____ More about The Summer Reading Game _____

The theme of this year's **Summer Reading Game** is "A Universe of Stories". The Game will begin on June 1. On June 15, the Library will have its first **Summer Carnival** to celebrate the Reading Game and other summer programs, and there will be space-related activities inside and outside of the Library from 12:00 - 4:00.

During the summer, the Library is also offering **Lunch at the Library**, from June 17 - August 15. Free "school" lunches will be given to people 18 years and younger, and there will be activities during lunch and afterwards. Ask a librarian for details.

***Summer volunteers grades 6th - 12th will be needed. This is a good way to get a head start on getting volunteer hours for school requirements. Apply at the Library Information Desk.
