## From the Principal's Desk

### Dear Shamrock Family,

There is so much to celebrate at St. John Catholic School. Here are just a few of the recent reasons to revel in Shamrock Pride!

### Pride in our STUDENTS

Last week SJCS held our 4<sup>th</sup> annual Invention Convention at which students in grades 2-8 showcased their own personally created, working inventions. Aiming our focus on rigorous and relevant learning experiences, students partook in a 6-week long project that required them to identify a problem and establish a way to solve that problem through the creation of an invention. Utilizing grade level Next Generation Science Standards (NGSS) as well as incorporating elements of technology and engineering, students designed invention blueprints, wrote scientific essays, created invention models, and produced posters to highlight the invention process.

We are proud to be a school that provides opportunities for our students to be real world problem solvers, inventors, creators, collaborators, designers, and presenters. Specifically we honor our 1<sup>st</sup> place Invention Convention winner, Travis Round for incorporating not only science, technology, and engineering standards in his creation, but we recognize him in a special way for his invention that also addressed a social justice issue and provided a solution to the very critical issue of homelessness in our Bay Area communities. Travis invented a mobile homeless shelter/tent, equipped with bedding. We are humbled by Travis' incredible oneness with his Catholic Identity and we recognize him for his authentic representation of Catholic Social Teachings.

### Pride in our SCHOOL FAMILY

It was an absolute treat to get to enjoy an evening together as a school family, raising money for SJCS, at our annual Margaritas and Must Haves Auction! This was a highly successful event, orchestrated and executed wonderfully by a well-organized and dedicated parent/faculty group. We thank our Auction Committee members including: Carleen Gonzalez, Rachel Scott, Michelle Stewart, Erica Beveridge, Daisy Visitation, Kristen Elliott, and Daniel Enos for their time, effort, and preparation toward this incredible fundraising event for our school. This was an evening of great fun and camaraderie, and we anticipate an even grander event next year, as we renovate our raffle portion of the night to allow for even more dancing! We share much appreciation for all parents, staff, and parishioners who came out on Saturday to support St. John Catholic School.

### Pride in our TEACHERS

The teachers at SJCS are always seeking and capitalizing on opportunities to strengthen their craft as educators and challenge themselves to be part of a professional learning community, so to always provide the best, most relevant and rigorous educational experiences for their students. Over the course of this current school year, four St. John Catholic School teachers energetically committed to participating in an 8-month long NGSS (Next Generation Science Standards) professional development summit. Second grade teacher Ms. Akaela Magno, fourth grade teacher Ms. Ashley Krisman, fifth grade teacher Mr. Zachary Sherman, and junior high science teacher Mrs. Araceli Catalan dedicated much time, effort, and energy toward learning more about NGSS and creating a lesson portfolios to use with their students. We recognize these four educators for their willingness to better themselves for their students and for the many ways in which they are incorporating Next Generation Science Standards in the classroom!

With Pride & Gratitude,  
Ms. Paige Child

## **Want to be more involved?**

We are currently looking for two coordinators to help with our school events! Descriptions of both are below:

**Health Chair:** Organizing yearly vision and hearing exams, serve as St. John School representative at conferences/meetings, assist school nurse with yearly health audits. Training is available. This coordinator would need to commit to the entire school year.

**Uniform Exchange:** Organizing uniform exchange closet, leading and coordinating exchanges/sales, and doing minimal bookkeeping. Training is also available.

For more information and questions about these positions or about service hours, please contact Ms. Jennifer at [jurdaneta@cndo.org](mailto:jurdaneta@cndo.org) or calling (510) 276-6632.

## **IMPORTANT: Disaster Drill**

Hello Parents,

The diocese mandates that all schools participate in a school-wide evacuation/student pick-up drill every other school year to prepare for a large emergency during which we would have to evacuate the school and wait for student pick up. This very important drill provides staff with the opportunities to review and practice search and rescue and first aid protocols and allows guardians practice with emergency dismissal protocol. **This Friday, on May 25<sup>th</sup>,** our Disaster Drill will take place, beginning at noon. All students (**PreK-8**) will need to be picked up by either a parent or someone listed on their emergency information. Students will only be released to people who are indicated on their emergency list and people who pick up students must have formal identification present and ready to provide staff upon release of students. Lastly, there is no afternoon SEP this day, so ALL students will need to be picked up during the 12 o'clock hour, via our Disaster Drill dismissal system. There will be no re-entry to school or gym buildings once students are dismissed.

### **To Recap:**

- \* Disaster Drill

- \* May 25, 2018

- \* 12:00pm

- \* Noon Dismissal of ALL students (PreK-8), NO SEP after school

- \* **All guardians picking up students on this day must PARK their cars, get OUT of their cars, and walk into the gym (trophy room side) to have students released to them**

- \* There will be an organized standing line formed outside of the gym (posted signage will identify where parent/guardian line is to form and where guardians will wait for student release on this day

- \*\*There will be a 3-point pick up process on this day:

- 1<sup>st</sup>-** Guardians will complete a student release form while waiting in line outside, indicating which students are requested for release. This form is given to the first student release station, in the trophy room. This is also where guardians will show proof of ID.

- 2<sup>nd</sup>-** After showing ID, guardians will be directed to give approved student release form to Mrs. Catalan at the 2<sup>nd</sup> student release station, directly inside of the gym. Mrs. Catalan will call for the students being released via the microphone and then return the student release form back to the guardian. Guardians will step aside and WAIT for students to come to them (NOT guardians going to students)

- 3<sup>rd</sup>-** Once all students have gathered with guardian, guardian and students walk over to Ms. Krisman at the final student release station by the side gym door, where she will check that the students being released match the students on the approved release form. Ms. Krisman will KEEP the student release form and then guardian/students are officially dismissed and may exit

- \* Students will only be released to parents/guardians listed on student emergency information (parents are encouraged to update in **writing prior to 5/24/18** if necessary) **Changes to emergency cards will NOT be accommodated on 5/25.**

- \* Students only released to parent/permitted guardian who comes with an ID for formal identification purposes

- \* Students will most likely all be dismissed by 12:45pm, so they may not need a lunch, just a morning snack on this day. With this said, if you are worried about your child getting hungry while they wait to be picked up, then you may send them with a sack lunch on this day. *It would be best if students could **wait** to eat lunch until after they are dismissed, just to ensure for a quick and smooth dismissal process on this day.*

### ENGINEERING

#### Ninjaneering Masters using LEGO®

Master the world of Ninjago by becoming a Ninjaneer! Tame the Ice Dragon, motorize your Blade Cycle, design the Dark Fortress, and hone your Spinjitzu battle skills! In this advanced LEGO course, Ninjaneering masters will learn real world concepts in physics, engineering, and architecture while exploring the fantasy world of Ninjago.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 18-22, 1:00 p.m. to 4:00 p.m.**

#### Robotics using LEGO® Mindstorms EV3

Build and program robots using the new LEGO Mindstorms EV3 system! Learn about mechanical and software design, loops, conditional statements, problem solving, and teamwork skills. Work in small groups, program and build your robot, and rise to the challenge. Control the robot to avoid obstacles, pick up and carry objects, and play sounds. Projects are structured so that students have fun working in an open-ended, investigative environment.

**Grades 3-8, Cost: \$235 (Early Bird \$210)**

**Week of June 25-29, 1:00 p.m. to 4:00 p.m.**

#### Geology in a Moment

Everyone knows "Geologic Time" covers millions or even billions of years but what about events that happen fast? In this class we will model earthquakes, landslides, volcanoes and other phenomena that happen suddenly and make up part of the bigger picture of the story of Earth.

**Grades 3-8, Cost: \$180 (Early Bird \$160)**

**Week of July 2-6, 1:00 p.m. to 4:00 p.m. No class July 4.**

#### Attack the Castle

Here is your chance to use ancient weapons to attack and defeat the domineering emperor. Build catapults, trebuchets, and other weapons; then test them for power, accuracy, and distance against the walls of the emperor's fortress. Defeat him and you could become the next emperor! Have fun learning about physics from force to friction...and blast stuff! Don't forget to bring a bag lunch for this all-day class!

**Grades 3-8, Cost: \$395 (Early Bird \$370)**

**Week of July 9-13, 9:00 a.m. to 4:00 p.m.**

#### Flight: Birds to Rockets

How do birds, planes, and rockets fly? How can they carry additional weight? Why do some airplanes soar and some fly; and how does a rocket work? We will explore all of these questions and more as we design, create and test different flying things. Prepare for the Falcon Heavy Challenge! Don't forget to bring a bag lunch for this all-day class!

**Grades 3-8, Cost: \$395 (Early Bird \$370)**

**Week of July 16-20, 9:00 a.m. to 4:00 p.m.**

#### STEM Challenge using LEGO®

Master your engineering skills with Play-Well TEKologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as: Catapults, Pneumatic Cranes, Arch Bridges, and Battletracks! Design and build as never before, and explore your craziest ideas in a supportive environment.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 16-20, 9:00 a.m. to 12:00 p.m.**

## Jedi Master Engineering using LEGO®

The Force Awakens in this advanced engineering course for young Jedi! Discover key engineering concepts such as gear trains, worm drives, pneumatics, and eccentric motion. Build LEGO X-Wings, AT-AT walkers, Pod Racers, Star Destroyers, Cloud Cities, and other complex machines and structures from a galaxy far, far away.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 16-20, 1:00 p.m. to 4:00 p.m.**

## Creative Arts

### Creative Writing

Enjoy reading? Writing? Playing with words? Explore where your ideas can take you in this creative writing workshop. Students will read an assortment of poetry and short stories, experiment with different writing styles and genres, and produce a "portfolio" of creative work.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 18-22, 9:00 a.m. to 12:00 p.m.**

### Watercolor

Learn the fundamentals of painting with watercolors. Use brushes, paints and water soluble inks to create a variety of landscapes and fantasy scenes. Discover the many tools and techniques to create vibrant paintings!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 18-22, 1:00 p.m. to 4:00 p.m.**

### Fashion Arts and Crafts

Create new works of art using old clothes, embellishment techniques, and your imagination! Students will explore upcycling in this hands-on art class, making clothing and accessory-inspired projects to be admired from the classroom to the showroom.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 18-22, 1:00 p.m. to 4:00 p.m.**

### Scriptwriting

How does having an "audience" change the way that you write a story? We will discuss the differences between writing fiction and writing play or film scripts, as well as read several example scripts, and watch clips from movies and plays to address this question. By the end of the week, students will produce a short (5-10 minute) film or play script: formatted, structured, and ready for an audience!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 25-29, 9:00 a.m. to 12:00 p.m.**

### Fashion Design

Learn the basics of fashion design through this hands-on art class! Students will create a lookbook drawing inspiration from the runway, develop a color palette, explore fashion illustration, and ultimately create presentation boards to showcase their designs from the week. Join us for SJND Fashion Week 2018!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 25-29, 1:00 p.m. to 4:00 p.m.**

### Discover: Drawing

Learn the elements of drawing! Use a variety of lines and marks to show form and space, texture and perspective. Engage your imagination with a variety of drawing tools and subjects from nature, pattern and abstract sources.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 25-29, 1:00 p.m. to 4:00 p.m.**

### Arts and Crafts

This course offers an introduction to multiple art media including drawing, painting, printmaking, collage and sculpture. Have fun making new artistic creations every day!

**Grades 3-8, Cost: \$180 (Early Bird \$160)**

**Week of July 2-6, 9:00 a.m. to 12:00 p.m. No class July 4.**

### Jewelry Making

Want to bead-azzle your friends? Come with your creativity and leave with a beautiful beaded jewelry creation each day. Students will learn basic beading, knotting and macramé techniques for making bracelets, necklaces and more!

**Grades 3-8, Cost: \$180 (Early Bird \$160)**

**Week of July 2-6, 1:00 p.m. to 4:00 p.m. No class July 4.**

## Book Arts Studio

Do you love art, paper engineering and writing? Take a walk on your creative side! In this exciting, hands-on workshop you will build books that fold, pop up, twist, hide and fit in the palm of your hand! You will learn techniques for designing and decorating paper, build at least 10 different book structures and experiment with creative writing.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 9-13, 9:00 a.m. to 12:00 p.m.**

### Writer's Workshop

Explore your creative side and share your ideas with other writers! Write, critique, and publish a variety of pieces in this unique, collaborative workshop. This class will inspire you to write!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 9-13, 1:00 pm to 4:00 pm**

### Mixed Media Art

Spend the afternoon creating imaginative masterpieces! In this class you will experiment with mixed art media including paint, colored pencil, printmaking, pastels and collage. This class is fun for all levels of experience!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 9-13, 1:00 p.m. to 4:00 p.m.**

### Get Crafty!

Use a variety of materials to create unique crafts! Work with new and recycled materials to create 3D geometric art, string designs and other interesting DIY projects.

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 16-20, 1:00 p.m. to 4:00 p.m.**

## Culinary Arts

### Cupcake Battles

Team up for the ultimate cupcake competition! Combine interesting ingredients to create unique cupcake flavors, then decorate them with flair. Impress the judges and win the Cupcake Crown!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 18-22, 9:00 a.m. to 12:00 p.m.**

**Week of June 18-22, 1:00 p.m. to 4:00 p.m.**

### Cookie Challenge

Crispy? Chewy? Decorated? Dipped? Satisfy your sweet tooth while experimenting with different doughs and radically rich recipes. Cast your vote for best looking, best tasting, most creative cookies!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of June 25-29, 9:00 a.m. to 12:00 p.m.**

**Week of June 25-29, 1:00 p.m. to 4:00 p.m.**

## Ultimate Baking Championship

Try your hand at tasty challenges using crazy culinary combinations. Put interesting ingredients in breads, cakes and muffins to compete for Most Creative Baker!

**Grades 3-8, Cost: \$180 (Early Bird \$160)**

**Week of July 2-6, 9:00 a.m. to 12:00 p.m.**

**No class July 4.**

## Everything Chocolate

This class is dedicated to chocolate! Make it, bake it and pair it with food. Infuse chocolate with complementary flavors to invent unique designer chocolates. New this year: Learn the full "bean to bar" process where we grind down the nibs and take them all the way to chocolate bon bons. You will create different chocolate delicacies each week, so sign up for one, two or three classes!

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 9-13, 9:00 a.m. to 12:00 p.m. Everything Chocolate I**

**Week of July 16-20, 9:00 a.m. to 12:00 p.m. Everything Chocolate II**

**Week of July 23-27, 9:00 a.m. to 12:00 p.m. Everything Chocolate III**

## Theater Arts

**New this year! Two-week programs designed for young performers!**

### SJND Triple Threat Theater Camp

Train to be a well-rounded theater performer in this fun, high-energy theater program! Learn acting, improvisation, dancing and singing from musical theatre professionals and SJND advanced theater students. This theater camp is appropriate for all experience levels and culminates in a performance for families and friends. Don't forget to bring a bag lunch for this all-day class!

**Grades 5-9, Cost: \$625 (Early Bird \$595)**

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 23-27, 1:00 p.m. to 4:00 p.m.**

### 10,000 Steps: Island Walks

Way back in the olden days, kids used to walk miles in the snow to get to school; they'd walk to the park and their friends' houses! This summer, put your screens away and ditch the ride; Alameda is a great place to walk! We'll check out Alameda's neighborhoods, the beach, local parks, downtown, the shoreline and all that The Island has to offer. Bring your water bottle, sunscreen and good walking shoes. "An average person has a stride length of approximately 2.1 to 2.5 feet. That means that it takes over 2,000 steps to walk one mile; and 10,000 steps would be almost 5 miles. A sedentary person may only average 1,000 to 3,000 steps a day. For these people, adding steps has many health benefits." - The Walking Site

**Grades 3-8, Cost: \$220 (Early Bird \$195)**

**Week of July 23-27, 1:00 p.m. to 4:00 p.m.**

## Back to School

### Elementary Success!

Brush up on study skills and academic readiness before school starts! In this class, have fun challenging yourself with math games, reading and writing activities, and critical thinking puzzles. This is a great way to beat the summer slump and get a jump on next year's material. Pair with "Play!" or "10,000 Steps" for a whole day of SJND fun!

**Grades 3-6, Cost: \$220 (Early Bird \$195)**

**Week of July 23-27, 9:00 a.m. to 12:00 p.m.**

### Navigating Middle School

Middle school can be daunting, but with the right tools it can be really fun! Learn some of the best strategies for navigating the demanding social and emotional challenges of middle school while building self confidence and interpersonal skills through fun and interactive activities. Pair with "Play!" or "10,000 Steps" for a whole day of SJND fun!

**Grades 7-8, Cost: \$220 (Early Bird \$195)**
