## From the Principal's Desk

Dear SJCS Families,

It is time to celebrate our graduates! Today we honored our 8<sup>th</sup> grade students at their baccalaureate mass and awards ceremony. It was a joy to recognize the hard work, determination, and effort that has been put forth by our eldest of students. We will continue to reflect and recognize the success of our student leaders at their dinner dance tomorrow evening and at the culminating graduation ceremony on Saturday.

This is an excellent time to focus on growth and development. It is our primary goal at St. John Catholic School to provide a safe, and Christ-centered learning environment where students can feel confident in taking risks, collaborating with others, questioning what they hear, and practicing what they are taught. Equally as important, we challenge our students to think outside the realm of their textbook or technology, and deepen their faith and their commitment to being stewards of God's earth and sharing the message of Jesus in the world. Our graduates are not just exiting 8<sup>th</sup> graders, but leaders and examples of integrity in the world.

Blessings,  
Ms. Paige Child  
Principal
