Dear St. John Catholic School Family,

I hope the summer months have provided you and your family with some rest and opportunity for some fun too! While I remain abreast to news and health guidance around COVID-19, we continue to plan and prepare for this nearing school year ahead with hope and excitement surrounding our reuniting on campus for in-person learning. We miss our students and school families and my staff and I remain steadfastly dedicated to providing a safe school environment that is conducive to onsite learning. Similarly, we will optimistically and cautiously anticipate ways in which we can share in community through various school and parish events. Our school calendar and health and safety protocols may evolve as we respond to the fluid nature of the pandemic. Nevertheless, our goal will be to safely offer faith formation, instruction and fellowship opportunities when and as we can.

I believe that we have learned that we are resilient in our perseverance through challenging circumstances, as well as that we are a strong community rooted in faith and care for each other. I am so incredibly proud of our school community and I am absolutely honored to lead us again this upcoming school year. Thank you parents, for entrusting your children to SJCS. Thank you for your continued support, partnership and commitment. I invite you at this time to review the following communication with various updates regarding staffing, school protocol and reminders. There will be more to come in the days and weeks that follow, prior to our start date on August 18th.

For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you *hope* and a future."
-Jeremiah 29:11

Attentively,
Ms. Paige Child

UPDATE – SPANISH PROGRAM:

Mrs. Viviana Green (our previous middle school Spanish teacher) has taken an opportunity to teach high school Spanish for the upcoming school year. This opportunity allows her to complete her credential and master requirements for a single subject Spanish degree. At this time, we will not be continuing our middle school Spanish classes. While we are sad to have Mrs. Green leave, this change will allow our middle school students additional time for instruction and support in core subject areas.

PLANT REPAIR AND RENOVATION:

This summer we finished the roof repair and replacement that began the summer of 2017. During the 2017 school year, the school administration was advised that $\frac{3}{4}$ of the school's roof needed immediate repair and/or replacement. It was advised that the final $\frac{1}{4}$ (the portion in the TK-3rd grade wing) would need attention within the next five years. We had that final portion of the roof repaired/replaced just this past week.

NEW PARENT INFORMATION HOUR & WELCOME EVENT:

On Saturday, August 14th, we will welcome new families to join us for a New Parent Information Hour to obtain information about our what to expect the first few weeks of school and to learn more about school traditions and protocols. The administration will happily answer questions new parents may have regarding our school. We will meet at 10:30am in the Community Meeting Room, to the left of the gym stairs. Also on Saturday, August 14th, the school will host a Back to School Playdate and Welcome Event @ 11:30am in the school play yard area. Please see the flyer below regarding information about both events.

A SHAMROCK WELCOME – INTRODUCING NEW STAFF

Mrs. Constance Dalton (3rd Grade)

Constance Dalton is a Bay Area native, born in San Francisco, with a lifelong commitment to learning. Friends and family tease her because she insists that “Teaching is the only job that puts a smile on my face every day!”

Mrs. Dalton earned her BA and MA in English Literature at Holy Names College in Oakland, and a California Life Credential at Holy Names, as well as an Administrative Credential at St. Mary’s College, Moraga.

She has taught for over thirty years, primarily in Middle School. She has particularly enjoyed working with students in literature and drama. (Christmas programs and theater field trips are favorites!) She has also taught art, mentored student leadership and supervised school submissions to the Young Authors’ Fair.

In her personal time, Mrs. Dalton likes to attend plays with friends. While reading and correcting student work at home, she is supervised by her cat, Princess Penelope.

Mrs. Dalton has very much enjoyed meeting Ms. Child, Mr. Enos, and other St. John staff members. She is excited about meeting the children and is delighted that we will all be present at school in person this year! She also looks forward to meeting our parents and the parish community. If you see her outside before or after school or during supervision, please introduce yourself! Mrs. Dalton knows this is the start of a wonderful year, and she can’t wait to share it with you.

A SHAMROCK WELCOME – INTRODUCING NEW STAFF

Mrs. Kat Boerman (7th Grade Homeroom, Middle School Social Studies and 6th & 7th Grade ELA & Lit)

Mrs. Boerman attended Sacramento State University and U.C. Davis. She has a Bachelor’s of Arts in History with a Concentration in Ancient History and African Tribal History. She also has a Master’s in Teacher Education and a K-12 Teaching Credential with an English Language Learner Authorization. Mrs. Boerman has a Minor in Anthropology and has a strong background in Biological Sciences. She also has a Montessori Certification through the American Montessori Society.

Mrs. Boerman taught English Language Learners abroad in Greece for several summers. Furthermore, Mrs. Boerman has almost 19 years of teaching experience, primarily in the middle school grades. She has taught at the following schools: Lead Teacher at the California Montessori Project; Teacher at the Natomas Charter School of Performing and Fine Arts Academy; Teacher at the Natomas Charter School Leading Edge Academy; Lead Teacher/Mentor Teacher at the Community Outreach Academy; Lead Teacher/Mentor Teacher at the Community Outreach Academy Middle School.

In September, she is soon-to-be married to an amazing and adventurous man, has two wonderful daughters, and one dog that is incredibly feisty. Mrs. Boerman enjoys running, gardening, baking, reading, spending time with family and friends, and her most recent enjoyment is paddle boarding. She is so excited to be part of this amazingly warm, supportive, and kind staff. Mrs. Boerman is equally excited to be a part of the students’ lives and the parents’ lives at St. John Catholic School!

A PRAYER FOR ST. JOHN CATHOLIC SCHOOL:

Almighty God, my school is composed of people like me.

I help make it what it is.

It will be friendly if I am friendly.

It will be holy if I am holy.

Its desks will be filled if I help fill them.

It will do great work if I work.

It will make generous gifts if I am a generous giver.

It will bring other people into its hallways if I invite and bring them.

It will be a school family of loyalty and love, of fearlessness and faith, of compassion, charity and mercy if I — who make it what it is — am filled with the same qualities.

Therefore, with the help of God, I will dedicate myself to the task of being all the things that I want my school to be.

Bless my journey, Lord God, that I might follow Jesus and build this school for your glory.

Amen.
