Professional Development for
Teachers

Dear Shamrock Family,

As the first trimester comes to a close at the end of this week, I want to share about an awesome experience I had last week. I was afforded the opportunity to substitute for the kindergarten class last Friday, and though I am already quite busy, this was such a fulfilling way to spend some of my time at the end of last week. My take-aways from the day, and my distance learning /kindergarten subbing experience were as follows. Our students have really established and embraced a sense of school routine, even from their own homes. Our parents have worked in great partnership with teachers to reinforce a learning schedule for their child(ren). Our students are experts at online communication and engagement and even from a distance, there is a clearly evident class community and understood online social norms among classmates. Lastly, the students continue to spread joy to one another and offer grace to their substitute teacher, while I learned that managing so many online tabs and ensuring to connect with each student is quite a balancing act! Kuddos to our teachers, parents and students! While I am focused on plans to provide the opportunity

for onsite instruction, I am pleased to witness the successes of our school community so far, through distance learning. Our administration team is working with our staff to confirm parent meeting and student retreat dates, and we will be sharing that information with you as soon as we have it.

Attentively,
Ms. Paige Child
