Happy Grandparents' Day! While we are sad that we could not honor our grandparents in person this year, we are grateful to our PTG for offering the opportunity for families to contribute to a special slide show. You can view this slideshow [HERE](#). We share our gratitude to these special individuals for their positive guidance and impact in our lives. May God bless our Grandparents!

As I announced on Monday, based on our current two-tier transition to the purple, most widespread Covid-19 tier; at this time, I am seriously re-evaluating any near future on campus retreat and learning opportunities. I will continue to follow the California, and most specifically, Alameda County health trends and use this data to determine next steps for our school community. I will maintain communication with our school family regarding potential onsite learning opportunities, as well as continued distance learning decisions. Your prayers, patience, and support is so appreciated, most especially during this most exceptional time. I will *likely* be in further communication with you later this week, but for now, I wish you and your family a very healthy, safe, and happy Thanksgiving.

With Love & Gratitude,  
Ms. Paige Child

## **COVID-19 TRAVEL GUIDANCE**

There is no prohibition on family travel during the holidays, though it is strongly discouraged. The school will not “police” travel by any employees or school families. To do so would possibly interfere with the privacy rights of those employees or families.

Nevertheless, the goal of the school is to maintain a COVID-19 safe school environment. Parents continue to have responsibility for assuring their children come to school only if they are free of COVID-19 symptoms. If students show COVID-19 symptoms while attending school, they will be removed from school promptly. Likewise, if any employees return from the holidays with any COVID-19 symptoms, they will not be allowed to remain on school premises.
