The families of children at St. John Catholic School are expected to cooperate and become involved in four different ways:

1. Parents are to be loyal, active participating members of their parish; consistent Mass attendance, frequenting the sacraments, and contributing to the support of the parish
2. Parents are to support all school policies – cooperating with the administration and staff in all areas of concern, both academic and disciplinary.
3. Parents are to accept the financial obligation for the operating expenses of the school. Parents are to pay tuition promptly.
4. Parents are to become active members of St. John Catholic School Parent Club. This group assists the school through services hours, fundraising (including Scrip), fall fundraiser, as well as other events throughout the year. To ensure the success of our school programs, every parent must contribute time in these areas.

I understand and accept the commitments listed above.
